

PM3 State & District Assessments

May

Testing Notes

- All State testing will begin by 10 AM
- Please make sure your child is not tardy or absent on their testing day.
- Please do not plan to check your child out before their test completion. Most students should be done by their scheduled lunch time.
- All testing is computer-based. Students will have access to scratch paper during the test.
- Results will be available in your parent portal approximately 24 hrs after the assessment is taken.
- Middle School District Finals are taken during their assigned class period (ie. Health will be taken during their scheduled health class period)
- Kindergarten and 1st Grade Reading and Math assessments will be administered in small groups throughout the week. Students will not all be tested on the same day or at the same time.
